Letter of Recommendation

Ref: 2026/324672
Date: 9 October 2026

TO WHOMSOEVER IT MAY CONCERN

I am pleased to recommend **Kartik Iyer**, who interned with **TechMecha Torque** as **Full Stack Web Engineering (MERN)** from **14 September 2026** to **13 November 2026**, mentored by **Elena Rostova**.

Kartik was a standout engineer who demonstrated exceptional dedication to system quality, test automation, and full-stack software delivery.

I recommend them for future academic and professional opportunities.

Warm Regards,

Sincerely,

Dr. Evelyn Reed
